## RAW Bookcase - Wood Product Information

---

Please read through this information and ensure it is kept for future reference.  
To ensure this bookcase does not fall forward, please attach the strapping on the back  
of the bookcase to a solid wall.

We've partnered with a local company Raw Workshop from Oxford who help create employment, training and support to people who face disadvantages and barriers to work. The company provide high quality wooden products from furniture to home accessories and in the process help change lives.
