Hambledon Desk Ladder - Raw Oak Assembly Instructions

Please follow the below instructions to fix your desk ladder and ensure they are kept for future reference. Fixings are supplied.

Fixing Instructions

1. Using the hexagonal key provided please loosen the fixings on each shelf and rotate into the horizontal position. Please re-tighten the fixings so that the shelf sits securely in place.
2. Put the desk shelf in position and secure with the screws provided.
3. There are also 2 wall fixings located on the back of the top shelf to enable you to fix the ladder securely to your wall.

**Please do not sit on this central drawer!
Maximum weight limit 10kgs.**
