Bermondsey Table Light - Steel & Oak Installation Instructions

Please read through these instructions and ensure they are kept for future reference.

Please note, this fitting is not supplied with a bulb.

Bulb required: 1 x LED E27 Max 10W Bulb

Safety Information

1. This fitting should be fitted to a lighting supply with a protected 5-amp fuse or equivalent circuit breaker.
2. Always be sure to use the correct type and wattage of bulb as indicated on the fitting (and stated above).
3. Do not exceed the maximum wattage stated on the fitting.
4. Using the incorrect bulb or wattage may cause damage to the light and therefore void the warranty.
5. When changing the bulb, ensure the light is switched off and unplugged from the mains supply and allow the old bulb to cool before handling.
6. If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.

Dispose of bulbs carefully.

Installation

- Please read through these instructions carefully before installation
- This light fitting is suitable for indoor use only

Extra Information/Notes

1. Please keep these instructions available for future use
2. We recommend cleaning with a soft dry cloth. Don't use abrasive materials, this may affect the finish and therefore void the warranty
3. Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice.
